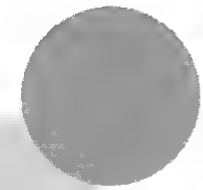
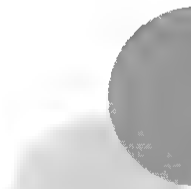
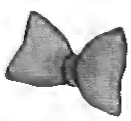
Morishima Akiko Presents







angelic girl
Every day, I'm polluting an angel.

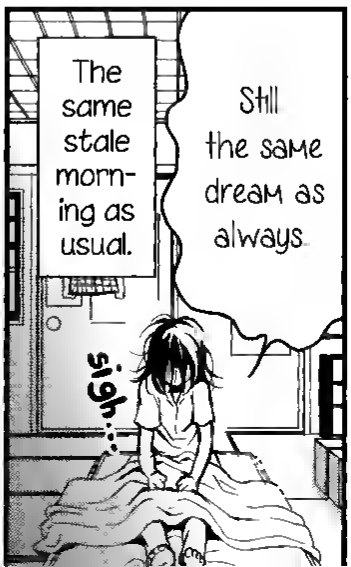
I'm really sorry
D-
Don't!
Forgive me for doing this to someone as pure as you, Tsukimi-ya-san
Stop it... Negami-san...
I fell in love with an angel.
Forgive me.
Gasp
Gasp
I love you, Tsukimiya-san
And yet, I'm polluting that girl every day.
You're beautiful
You're really beautiful
Even down here
N-not there. that's ah
This is no

I'm getting dizzy from her cute voice and her sweet scent.
Even if she's crying, even if she doesn't like it, I can't stop.
You're so wet down here, Tsukimiya-san
You're getting turned on, right?
N-not... not that!
I'm so sorry
You know, if I touch you like this, does it...
Does it feel better?
It's... e-embarrassing...
Ah!
Negami-san... I love you...
Eh?!
Negami-san...
Yes, please forgive me

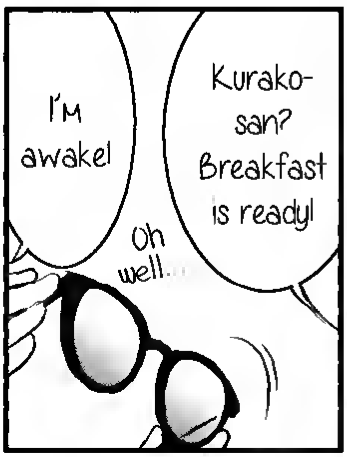
This is...
...

I can't believe it.
Whoosh
U-Uesu
No way
It's true
I love you, so please do it more

tweet
It's morning.
chirp chirp
Ah
It was a dream



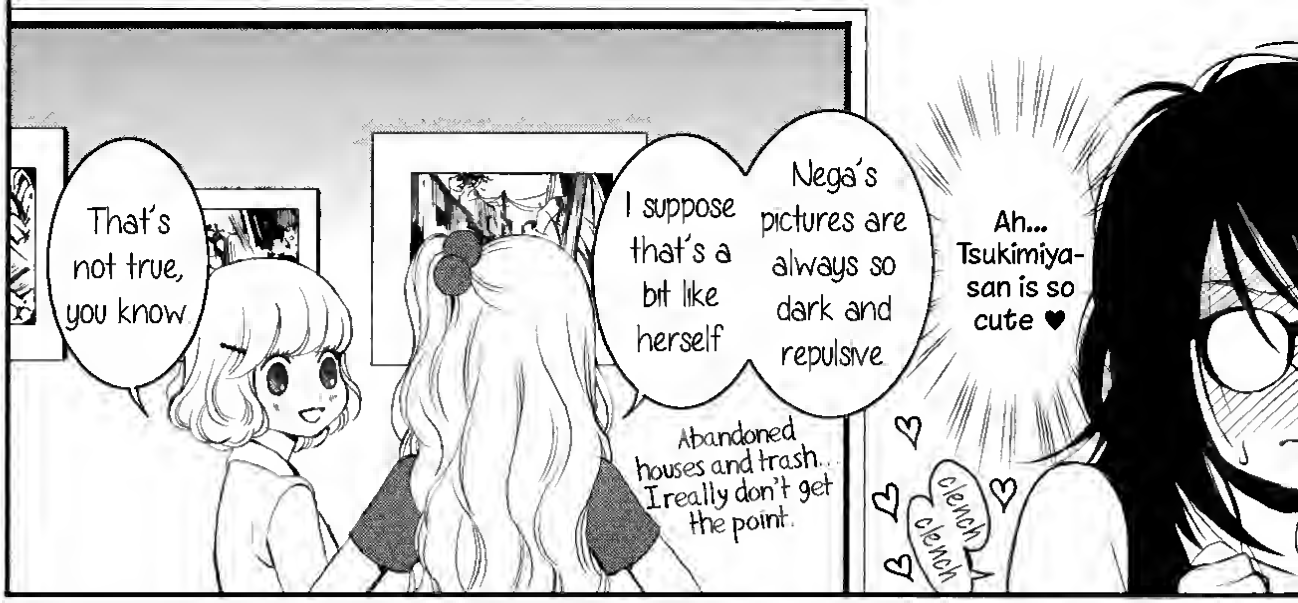
The same stale morning as usual.
Still the same dream as always
sigh...



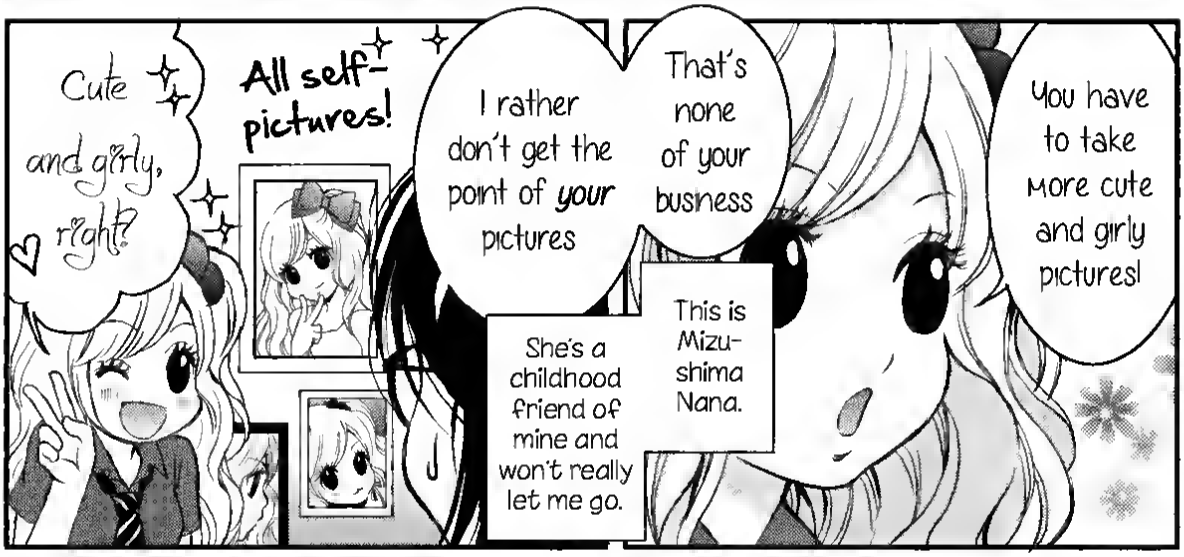
I'm awake!
Kurako-san? Breakfast is ready!
Oh well...

Ah
Bra, uniform and...

My name is Negami Kurako.
I'm an XX chromosome.
I should change panties...
cough cough
'Nega' in Negami as in 'negative'.
'Kura' in Kurako as in 'kurai'. (dark, gloomy).
I'm feeling drowsy... maybe I should skip today.
Dark, gloomy and almost always by myself.
Oh, right.
Today is Wednesday.
Today I'll meet the angel at the school club.
PHOTOGRAPHY CLUB
Negami-san!
Your exhibition pictures look amazing!
Tsukimiya-san!
Th-thanks...
Eh?
sparkle
CLENCH



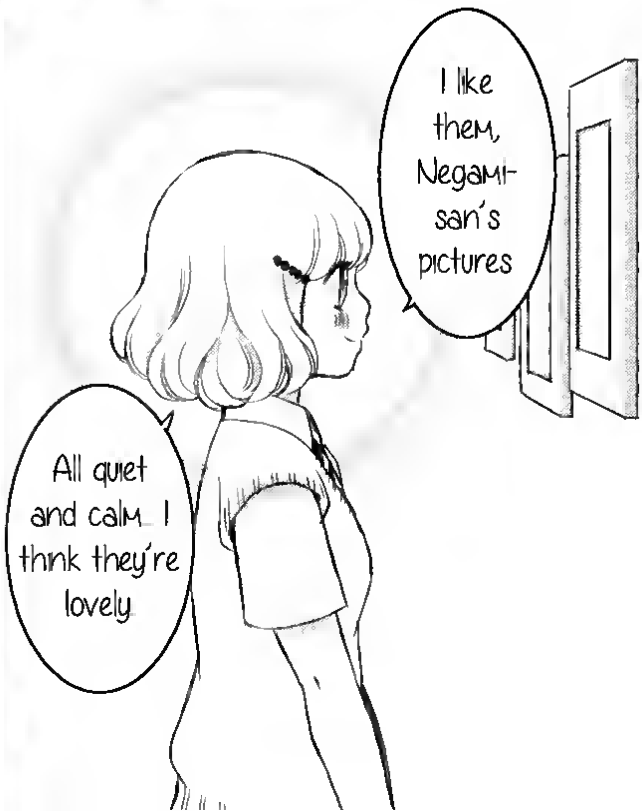
That's not true, you know
I suppose that's a bit like herself
Nega's pictures are always so dark and repulsive
Abandoned houses and trash... I really don't get the point.
Ah... Tsukimiya-san is so cute ♥
clench clench



Cute and girly, right?
All self-pictures!
I rather don't get the point of your pictures
That's none of your business
You have to take more cute and girly pictures!
This is Mizushima Nana.
She's a childhood friend of mine and won't really let me go.

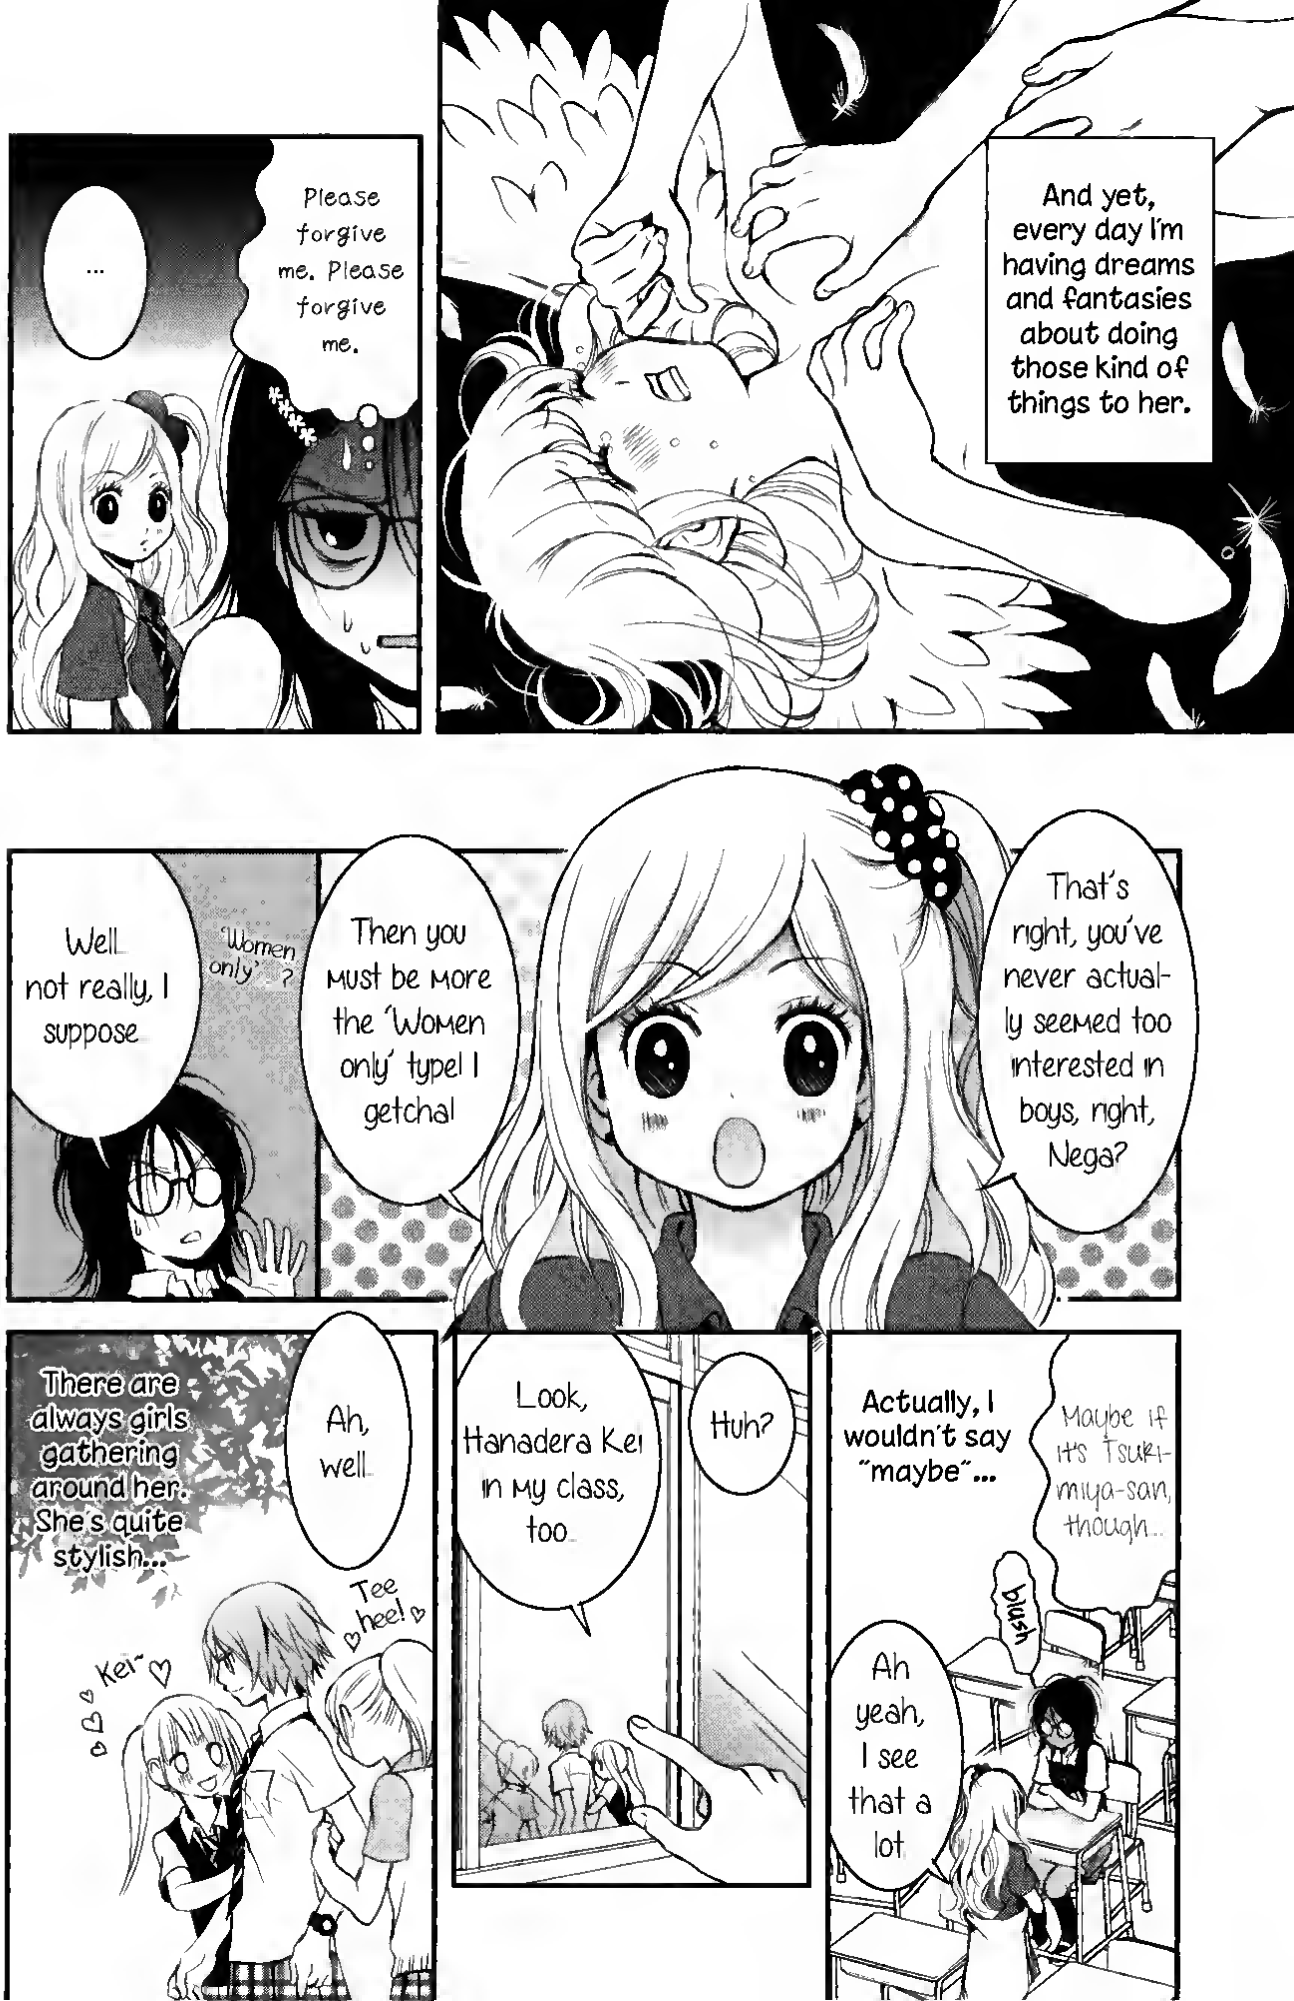
mumble mumble
I'm sorry...
Why are you apologizing?
Ah, sorry... Thank you very much.

blush



I like them, Negami-san's pictures
All quiet and calm. I think they're lovely.

Sst
Eh well...
Here, take this!
Don't your bangs get in the way?
!!
The pin is cute, though
You think that suits her?
It suits you really well! So cute!!
Flowers...
blush
Right? I made it myself, too!
This is...
A hair-pin?!
I can't accept this!
Er... sorry, I should probably give it back...
Tsuki-miya-san made it?!
Tsukimiya-san is as cute as an angel.
And also as pure and kind as an angel.
Ah... maybe it's not really your taste?
If that's so, maybe you could give it to me?
Even though I'm like this, she's so kind to me.
And yet...



Please forgive me. Please forgive me.
...
And yet, every day I'm having dreams and fantasies about doing those kind of things to her.
That's right, you've never actually seemed too interested in boys, right, Nega?
Then you must be more the 'Women only' type! I getcha!
'Women only'...?
Well... not really, I suppose...
Huh?
Look, Hanadera Kei in my class, too...
Actually, I wouldn't say "maybe"...
Maybe if it's Tsukimiya-san, though...
blush
Ah yeah, I see that a lot
Ah, well...
There are always girls gathering around her. She's quite stylish...
Kei-
Tee hee!

Ahh...
If I were a handsome girl like her,
Tsukimiya-san would like me, I suppose
Isn't it "If I were a boy" normally?
Even if I were a boy though, I still don't think I'd be too popular
WELL, IF YOU SAY SO. THAT MAY BE RIGHT.
In fact, if it wasn't for you wearing a skirt, people would probably think you were a boy
One thing I do like about Nana is that she never resorts to lies or flattery.
Still, there are many curious girls in the world
Why not just ask her out on a date?
Not really. Just this is fine with me
I'll just sit quietly and wish for her happiness
That way I always get to watch over her
sigh
ANNOYED
Kei! Come here for a little while!
?

That doesn't matter! You'll never know if you don't try!
Eh? I don't know if I could...
She'll turn you into such a handsome girl for Tsukimiya!

What is it, Nana?
You look pretty, as always! ♥
I want you to make this girl as stylish as you are!
You know, Kei lives in a hair salon! It's super-famous!
What?!

NON-SENSE!
Maybe I wouldn't even have to do anything different.
Maybe then Tsukimiya-san could like someone like me.
I suppose if I got more attractive...
It's... not possible...

Negami-san?
Tsukimiya-san...?

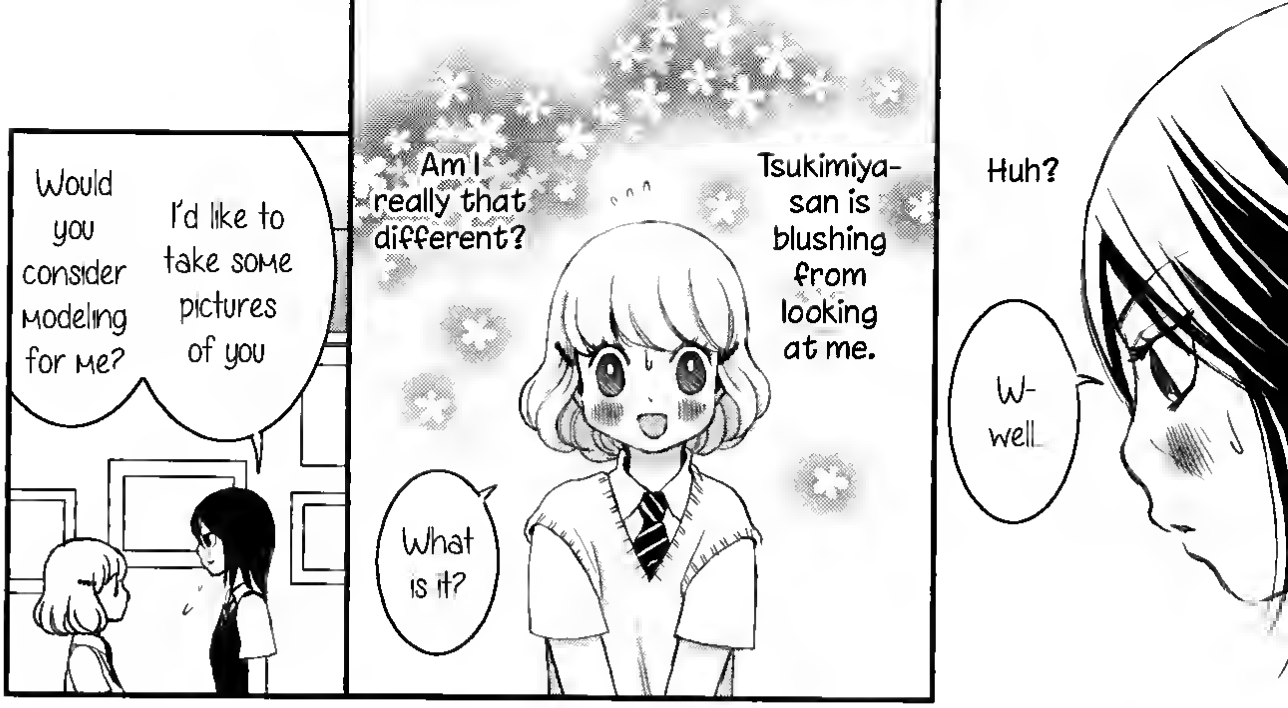
PHOTO

Hey You seem kind of different today
I stopped wearing glasses and got contact lenses instead
And then I kind of got my hair...
After
Before
Tsuki-miya-san sure is thick!
I see! That must be it!
And I'm not a simple hairdresser!
No, no, that's totally wrong!
Um... what was it Kei said?
Smile gently and look her in the eyes...
stare
Trying to smile
BLUSH
There we go! Success!
She really can't smile, though



Would you consider modeling for me?
I'd like to take some pictures of you
What is it?
Am I really that different?
Tsukimiya-san is blushing from looking at me.
Huh?
W-well...

Uwah! I'm so happy!
Yes! I want to!
Modeling for Negami-san's work...?

Um... yeah. It really surprised me.
I still can't really say I believe it...
Wearing lenses got too tiring, so I swapped back to glasses
You're making progress rapidly!
You've come really far!
So, you're going to her house this weekend for photographing
coiffure MAMAN ET MOI

Oh well...
what...? She's her dad, and yet she's called "Mama"?
Yeah I'm really grateful for your help
My dad is amazing, don't you think?
Of course Mama! You're such an awesome beauty artist!
kyaa
That's only natural, you can rely on my skill!

Tsukimiya-san isn't that kind of girl
That might be nice, too!
I bet she'd go on the aggressive as soon Nega-chan is in her room!
no way!

It's a little differ-ent...
Since she's letting Nega into her room, she's saying "Sex is okay if you want!♥"
Oi!

Ponder Ponder Ponder
I abso-lutely do want to!
Ponder Ponder Ponder Ponder
I Love you, Negami-san!
But we're not really that far yet...
Now I'm starting fantasizing again
Well... I wouldn't say I don't want to...

You like her, so you want to do that with her, right?
Then you'll have to be the one to seduce her.
groan

Then, jokingly, touch her chest just a little
They're so soft!
Kyaa!
Touch her casually as you compliment her hair and her nails
Loose and fluffy hair. Like that really suits you
And your nail colour is really pretty
When you're in her room, just sit down next to her
I think you're plenty far!
thud
And if she doesn't react badly to that
SORRY, SORRY!
H-Hey!
I'M SORRY. I CAN'T DO THAT.
To be so young!
My, my
giggle
I Love you!
Push her down and confess your love!

W-whether that's normal, I...
whoosh
But you like her, so you want to do something like that to her, right?
Please Let go
IT'S NOT GOING TO BE THAT SIMPLE! IT'S TOO MUCH TOO SOON!
You can't? Even though it's this simple?
WHY?
I told you, Tsukimiya-san is not like that!
Both you and Tsukimiya-san!
We're all high school students overflowing with lust, you know!
It's only healthy!
To care for her more than anyone else.
She's as pure as an angel, and all I want to do is to protect her.
All I want...
Th-therefore... I don't want to force Tsukimiya-san to do something like that...

All I did was to change the way I looked.
It's not like I'm her girlfriend all of a sudden.
bow
Come in!
Excuse me for disturbing
Maybe her friend, I suppose...
Her casual clothes are really cute too.
...
Um, this
Nothing more than a friend...
thump
Wow! Little drawers cakes!
I'm too happy ♥
HER BRA
PINK
Uwah! Macarons too!
Nothing more!
Th-thank you for modeling for me...
Do you want coffee or tea, Negami-san?
E- either one is fine.
...

I don't have any chairs, but you can sit here on my bed
tap
It's small and cute, just like Tsukimi-ya-san herself.
That's not
Please excuse me My room is kind of small
So this is Tsuki-miya-san's room...
gulp
Her bed...?
Eh?
I'm SORRY I'm SORRY
Nooo!
Don't
Her bed!!

Damn it... I'm fantasizing again...
I'm really sorry!
Ah... It's nothing!
?
What is it, Negami-san?
gasp
Th-then I'll get ready
Oh, your camera!
It looks amazing! I bet it's really expensive, right?
Ah, well... It's kind of old, though...
I bought it second-hand after all
I did part time and saved up money
Whoa!
Huh?
Your fingers are so long and slender!
nudge
Eh? These skinny fingers?
Tsukimiya's fingers are even smaller and cuter...
They look so sweet...
They're so lean!

Th-this isn't good! I should go home!
Excuse me... I think...
That's right! Negami-san!
C-calm down...
tremble tremble
FLINCH
Shiver
Your waist is so slim too!
Wh-what?!
twitch
Ahh!
...!
sst
Hmm?
Your bangs were getting in the way, weren't they?
So cute!
smile

I didn't really feel the flower one I made earlier fit your image
So I made a new one! How is it?
Ahh, another one.
A hairpin?
Yeah! This really looks better on you!
Here you go!
Huh... why did you do that?
Tsukimiya-san did it for someone like me?
Why! You don't like it, right?
I thought so...
For someone like me...
I'm really happy
Thank you very much
HI HI!
At last you looked at me!

You never used to meet my eyes when I looked at you, you know?
But then that time you looked me right in the eyes
And asked me to model for you
I watched you all this time and now it seemed you finally noticed me
I was so happy
But today,
you're averting your eyes once again
Th-that's
That's because I need to hold back my desires!
Well... apart from that...
Ts-Tsukimiya-san!
You always watched me. So you
I like you
nod

Why would you say that about yourself?
Has this been on your mind for so long?
It's true!
sob
But How could you like someone like me
No way
drip
drip
Wah!
You're always quiet and alone
But I just can't leave you be
I-I can't leave you be either
She's too cute
Tsukimiya-san All this time I've
Too sweet.

I've loved you.
You smiled! ♥
I really do
haa
gasp
Hmm?
squeeze
jump
S-sorry!
Why are you apologizing?
Ehh?!
If she's saying I don't have to apologize for that, then...
Are we going to...?

But still?!
My beloved Tsukimiya-san...
Really is as cute as an angel, but...
After all, she is really just an ordinary girl.
Ah
I guess this will be a bit scary... But still...
She's so cute and I love her so much.
What should I do?
I really have no idea!
sezo sezo sezo sezo sezo sezo sezo
Is it alright now?
Or not yet?
But I can't really ask her...
I hope Nega and Tsukimiya-san are hitting it off!
No way on the first date.
Sex, that is
Bitter-sweet, isn't it?
Oh, to be so young...
